2023

Asian Conference on Remote Sensing

ACRS 2023

Oct. 30 - Nov. 3, 2023

TaiNEX2, Taipei, Taiwan

## Topics

- ◆ Sensor and Platform
- ◆ Photogrammetry
- ◆ Algorithm and Data Processing
- ◆ Spatial Information Sciences
- ◆ Global Navigation Satellite Systems
- ◆ Remote Sensing Applications
- ◆ Emerging Technologies
- ◆ Education and Outreach
- ◆ Interdisciplinary, Societal Impact and Others

## Important Dates

- 3 April: Abstract Submission Open
- 1 May: Online Registration Open
- 16 July: Deadline for Abstract Submission
- 1 August: Notification of Acceptance
- 15 September: Full Paper (Extended Abstract) Due
- 30 October ~ 3 November ACRS2023

## Registration

Early bird (before 1 September): US \$135  
Regular: US \$150

Organized by

National Central University  
Chinese Taipei Society of Photogrammetry and Remote Sensing  
Asian Association on Remote Sensing
