

Participate in Our Survey on Close-range Remote Sensing Technologies!

Dear Remote Sensing Enthusiasts,

We are excited to invite you to participate in our survey on Close-range Remote Sensing Technologies! As part of our research for the 3DForEcoTech COST Action (CA20118), we are conducting a comprehensive study to gather insights from users and providers in the CRRS industry.

Whether you are a CRRS user or provider, your experiences and perspectives will contribute to the advancement of this dynamic field.

Take the Survey Now!

The deadline for completing the survey is 31 January 2024.

We appreciate your valuable time and insights. To express our gratitude, participants will be acknowledged in our research publication (Optional: If you add your name at the end of the survey).

Let's work together to drive innovation in Close-range Remote Sensing Technologies!

Best regards,

3DForEcoTech COST Action (CA20118) team!
